ABOUT INNFLUENCE

An INNcredible night of entertainment, experiences and exquisite food. INNfluence is an event where the energy is palpable as Calgary's influential community unites together in the fight against family homelessness.

By definition, influence refers to "the capacity to have an effect." At Inn from the Cold, INNfluence, speaks to the collective ability our community has in ending family homelessness.

For over 25 years, Calgarians have INNfluenced Inn from the Cold's ability to support those in need. This year's INNfluence Gala is a celebration inspired by the unwavering hope, resilience, and strength exemplified in the transformative work of Inn from the Cold, generously supported by Calgarians like you.

Within the walls of the Inn, we witness the incredible power of your contributions, understanding that the hope and strength of our donors have the profound ability to uplift and transform lives.

In 2024, we embark on a new journey, capturing the essence of transformation through a vibrant, dazzling, and lively evening experience inspired by the enchanting world of contemporary circus acts.

This year's theme, Le Cirque de L'espoir, pays homage to the indomitable spirit of families facing homelessness -- showcasing not only their resilience but also the enduring strength that propels them toward a brighter future.

Join us for a night where the magic of the circus converges with the unwavering hope, resilience, and strength embodied by the families we support. Through your continued support, we are dedicated to fostering hope, building resilience, and fortifying the strength needed to create positive change in the lives of families in need.

ABOUT INN FROM THE COLD

Helping families overcome obstacles that can lead to a cycle of homelessness that's what we strive to do with every family that asks Inn from the Cold for help.

For over 25 years, Inn from the Cold has been helping vulnerable families find stability in times of crisis. We empower independence and foster resilience, guided by our belief that every child and family should have a safe and stable place to call home.

As the largest organization in the Calgary region that is dedicated solely to families experiencing a housing crisis, we believe that every child and family should have a safe and stable place to call home. To help bring our vision to life we provide three main programs: prevention and diversion, family shelter, and supportive housing. Trauma informed and housing first principles guide everything we do and we strive to adapt our programs to meet the unique needs of each family we serve.

On any given night, approximately 120 families will sleep under an Inn from the Cold roof through our shelter and housing programs, with many others receiving support through our prevention and diversion program.
